

# Parking in Amsterdam for 8 euro per 24 hours inclusive of **free** public transport!

## Amsterdam: accessible and livable

The City of Amsterdam wants to encourage the use of the P+R facilities to maintain access to the city and improve the quality of life. By making use of P+R you too are making a contribution to a healthy atmosphere. The best solution is to visit the city by public transport instead of by car. But if you do come by car, please park at a P+R. For more information look at [www.amsterdam.nl/penr](http://www.amsterdam.nl/penr).

P+R, wallet-friendly and easy

# Rules for P+R

Stop  
by the  
P+R desk  
first

## On arrival

- 1. Collect a car park ticket as you go in.** Please don't use a credit card at the entrance, it does not provide a P+R deduction.
- 2. Hand over your parking ticket to the P+R car park attendant and ask for a P+R chip card(s).** The car park attendant will code your parking ticket and give you a free P+R chip card to use on public transport.
- 3. Proceed to the OV hall and check in.** For instructions on how to use the P+R chip card see overleaf.
- 4. Don't forget to check out when exiting the vehicle.**

**When visiting the city,** be sure not to lose your P+R chip card! If you do not use your chip card, or use it incorrectly, you will no longer be entitled to a discount and will have to pay the normal parking fee. **Please note:** The P+R chip card is only valid for travelling to and from the P+R location and not for general use in the city centre.

**Staying late in the city? Please note:** The P+R tickets are not valid on the city's night busses. On exiting, check what time the last bus, metro, tram or train departs.

## On leaving

- 1. Use your P+R chip card or NS card for the return journey.** Hold your P+R chip card in front of the card reader when entering and exiting the vehicle.
- 2. Return your parking ticket and the used P+R chip cards to the P+R desk.** The attendant will mark your car park ticket for the P+R tariff. You can only pay the attendant with a pin or credit card. Cash payments can be made in a point-of-payment terminal.\*
- 3. Use the car park ticket when you drive out.** The P+R tariff is good for a maximum of four consecutive days (96 hours). After 96 hours you will have to pay the normal parking tariff. **Please note:** Different times apply if you are using a P+R chip card for the train (NS). Your train ticket is valid for one day (from 04:00 to 03:59).

\* The pay machines at P+R Bos en Lommer are equipped with a special discount button for payment outside opening times.

## How does the P+R chip card work?

To check in, hold your P+R chip card against the OV chip card reader (look for the pink chip card logo ). A green light will go on to indicate that you are checked in.

- **metro:** Check in using one of the OV-chip card readers or an OV-chip card turnstile before proceeding to the platform.
- **bus/tram:** Check in on entering the bus or tram. The card readers are located next to the driver and the doors.
- **train:** All Dutch domestic train tickets (NS) automatically carry a day stamp. You do not have to validate your ticket on the outward journey.

## General information

The Amsterdam P+R locations are easy to find, just follow the P+R signs on the A1, A2 and the A10 ring road.

## Exceptions

The ArenA, Olympic Stadium and World Fashion Centre P+R locations will be closed during large events. Parking stewards will direct you to alternative P+R locations. All P+R locations are open seven days a week, 24 hours a day\* and are supervised by a car park attendant.

\* Please note: Access to P+R Bos en Lommer is from 7:00 to 22:00 only. The exit is open 24 hours a day.

- **P+R is cheap.** Parking in a P+R car park costs € 8.00 per 24 hours, and includes free public transport tickets into the city centre for a maximum of five people (or free bike rental for two people, not available at all P+R locations).
- **P+R is easy.** The P+R locations are easy to access from the A1, A2 and the A10 ring road.
- **P+R is quick.** Avoid driving round in circles looking for a parking spot in the city centre: park next to the A10 ring road and travel into town for free on public transport.
- **P+R is environmentally-friendly.** By not taking your car into the centre of Amsterdam, you will be helping to improve the city's air quality.
